WHEREAS, section 31a of the Act, N.J.S.A. 24:6I-45a, authorizes municipalities to adopt ordinances and regulations prohibiting outright and/or limiting the number of any class of license for “cannabis establishments” (defined in section 33 of the Act, N.J.S.A. 24:6I-33, as “a cannabis cultivator, a cannabis manufacturer, a cannabis wholesaler, or a cannabis retailer”), cannabis distributors and cannabis delivery services allowed to operate within its municipal boundaries; the location, manner and times of operation of such cannabis establishments, cannabis distributors, and cannabis delivery services, except that the time of operations for cannabis delivery services, shall only be subject to the regulation by the Cannabis Regulatory Commission (the “Commission”); and

WHEREAS, section 31b of the Act, N.J.S.A. 24:6I-45b, authorizes municipalities to prohibit, by ordinance, the operation of any one or more classes of cannabis establishments, cannabis distributors, and/or the principal premises of a cannabis delivery service for anywhere in the municipality, but not the actual delivery of cannabis items and related supplies by a licensed cannabis delivery service operating outside the boundaries of the municipality; and

WHEREAS, section 31b of the Act, N.J.S.A. 24:6I-45b, also stipulates that any municipal ordinance, regulation or prohibition must be adopted within 180 days of the effective date of the Act (*i.e.*, by August 22, 2021); and

WHEREAS, section 31b of the Act, N.J.S.A. 24:6I-45b, provides that a municipality’s failure to adopt such ordinances within 180 days, shall result in any cannabis cultivator, manufacturer, wholesaler, distributor or delivery service to be deemed a permitted use in all industrial zones of the municipality for an initial period of five years, first beginning on August 22, 2021; and

WHEREAS, section 31b of the Act, N.J.S.A. 24:6I-45b, also provides that a municipality’s failure to adopt such ordinances within 180 days shall result in a cannabis retailer being authorized to operate in all commercial/retail zones in a municipality as a conditional use subject to meeting certain conditions of the Township, or receiving a variance from one or more of those conditions in accordance with the “Municipal Land Use Law,” P.L. 1975, c. 291 (N.J.S.A. 40:55D-1 et seq.) for a period of five years, first beginning on August 22, 2021;

WHEREAS, section 33 of the Act, (PL. 2021, c. 16 §33, N.J.S.A. 24:6I-46) and section 34 of the Act, (P.L. 2021, c.16 §34, amending N.J.S.A. 24:6I-7) deems certain pre-existing State licensed alternative treatment centers to concurrently hold certain class(es) of the above-referenced cannabis establishment license(s), which enables such pre-existing alternative treatment centers to simultaneously operate a licensed cannabis establishment so long as a municipality first approves same by municipal endorsement or through a local licensing procedure; and

WHEREAS, the Township Committee of the Township of Boonton has determined that the cultivation, manufacturing, wholesale, distribution, delivery and retail sale of cannabis and cannabis items under the Act presents special local concerns such that cannabis retail sale and the locations of any licensed cannabis delivery services shall be prohibited, and that only one license shall be issued for each of class 1 cannabis cultivation, class 2 cannabis manufacturing, class 3 cannabis wholesale and class 4 cannabis distribution, but same shall be strictly limited to pre-existing licensed alternative treatment centers holding a valid license to operate at specific previously approved license location licensed for use under the Jake Honing Compassionate Use Medical Cannabis Act; and
